From the timber grown on American soil...

to homes all across America

to our facility in Northern Indiana...

# Jamestown in Limestone

Traditional? French Country? Modern?

Any way you want it, Jamestown in

Limestone will give your kitchen the look  
that matches your decorating style and  
offers configurations that precisely fit your  
needs.

# Youngstown in Slate

Simplicity, utility and honesty, the guiding principles of Shaker style, are tastefully updated in Youngstown. A decorative inside profile elevates the clean-lined look, making it an ideal choice for today's more transitional and modern farmhouse kitchens and baths.

# Rentown in White

Designed to marry beautifully with the architectural elements popular in today's homes, distinct transitional doors are painted white for a fresh and modern look that will stand the test of time.

# Harmony in Onyx

Like a favorite little black dress, nothing says sophistication like a dark finish. Harmony serves up a simple, classic style while the Onyx finish delivers a fashionable element.

# Georgetown in Slate

Ideal for homes where the emphasis is on casual elegance and effortless entertaining, Georgetown blends smart storage options with a works-beautifully-with-everything transitional style. Everything should be this easy!

# Classic in Lava

Elegance, class and character have stood the test of time and all flourish with Classic doors while the warmth and richness of Lava brings out the natural beauty of the cherry wood.

# Georgetown in White

Personality plus!  
Playful or sophisticated.  
Relaxed or full of energy.  
What do you want your kitchen  
to say about your lifestyle? Say it all  
with, Georgetown painted White!  
Truly a timeless classic, with endless  
possibilities.

# Rentown in Pearl

Shaker has been exquisitely refined with Rentown, yet remains delicate and simple. Likewise, the radiance of Pearl provides a more spacious feel while its creaminess yields a pleasant calming effect.

You don't have to look far to see the quality.  
The same features found in high-end fine furniture...  
mortise and tenon joints and dovetails...  
are standard in Kountry Wood cabinets.

Discover the differences. Experience the beauty. Enjoy all the options.  
Feel right at home in your personalized kitchen or bath.  
Kountry Wood...right at home in your home.

# As close to perfection as nature will allow.

At Kountry Wood Products we take our commitment to the environment very seriously. That's why our certification from the Kitchen Cabinet Manufacturers Association (KCMA) for our environmental stewardship is so important to us. That certification assures you that we are fulfilling our role in providing you with sustainable cabinetry products. KCMA's Environmental Stewardship Program goes beyond the basics of raw material sourcing and management to set manufacturing and recycling standards that help sustain clean air, water and land. For all of us.

# Kountry Wood Products

In the heartland of *America* life is pretty simple.  
We value nature, hard work, attention to detail and fair pricing.  
When you add all of this to timeless designs with a modern flair, you get  
Kountry Wood Products.

Your home reflects you, so don't settle for less than the  
quality, versatility, durability and value of Kountry Wood Products.

Beautiful. Functional. Built to last.

Thank you for considering Kountry Wood Products for your cabinetry needs.

For over 20 years, Kountry Wood has been manufacturing stock kitchen and bathroom cabinetry in Nappanee, Indiana - the Heartland of America. We are a family-owned business that values the heritage of our country.

Our business was founded on the basic philosophy of building a quality product, selling it at a reasonable price, and providing excellent customer service. We take our business seriously by providing American workers jobs in our community and by purchasing materials from local suppliers.

We hope that you find our products to be the right choice for you.

Sincerely,

Ola Yoder  
CEO
